FEMA is pleased to share our finalized Risk Rating 2.0: Equity in Action guidance documents, FEMA’s pricing methodology for the National Flood Insurance Program (NFIP).

The Flood Insurance Manual outlines the NFIP underwriting policies and processes to enable effective and consistent program implementation within the new pricing framework. The Risk Rating 2.0: Equity in Action Industry Transition Memo outlines how a policy rated with the legacy rating plan transitioned to the new pricing methodology.

- RR 2.0 NFIP Flood Insurance Manual April 1, 2021
- Risk Rating 2.0 Industry Transition Memorandum W-21012

For a background and additional information about FEMA’s new pricing methodology, please visit fema.gov/flood-insurance/work-with-nfip/risk-rating.
