MEMORANDUM FOR: WYO Principal Coordinators and NFIP Servicing Agent

FROM: Donald R. Beaton, Jr.
Chief Underwriter
Federal Insurance and Mitigation Administration

DATE: June 20, 2002

SUBJECT: Revised Policy Endorsement Form

In our memorandum dated March 26, 2002, we spoke of the need for a revised policy endorsement regarding the inspection procedure to include other areas that incorporate out of Monroe County on or after January 1, 1999. To date only one additional area has incorporated out, the City of Marathon. The interim final rule, which was published in the Federal Register on March 8, 2002, amended the NFIP regulations to require that all areas that incorporate out of Monroe County participate in the inspection procedure.

You have been attaching Endorsement Number One to new and renewal policies in Monroe County and the Village of Islamorada since February 15, 2001. Attached is Endorsement Number One (Revised), which must begin replacing Endorsement Number One on all policies issued on and after October 1, 2002. This endorsement must be attached to all new and renewal policies located in Monroe County CID# 125129, the Village of Islamorada CID # 120424, the City of Marathon CID# 120681, and any future areas that incorporate out of Monroe County that we bring to your attention.

If you should have any questions, please contact your Program Coordinator.
