FROM: Donald R. Beaton, Jr.
Chief Underwriter

DATE: August 12, 2002

SUBJECT: Inspection Notices

In our memorandum dated June 20, 2002, we provided copies of Endorsement Number One (Revised), which, beginning on October 1, 2002, must be attached to policies in Monroe County CID#125129, the Village of Islamorada CID #120424, and the City of Marathon CID#120681.

This change, adding the City of Marathon to the community inspection procedure, requires a contact number at the city for those policyholders in Marathon who will be required to obtain an inspection prior to the renewal of their policies. Both the 6-month inspection notice and the reminder inspection notice should be revised to include the City of Marathon and telephone number (305) 743-0033. These revised inspection notices should go out to policyholders requiring an inspection in any of the three participating communities following October 1, 2002.

If you should have any questions, please contact your Program Coordinator.
