MEMORANDUM: NFIP Stakeholders

FROM: Anthony S. Lowe 
Administrator
Federal Insurance and Mitigation Administration

SUBJECT: Fiscal Year 2001- NFIP Financial & Statistical Compendium

I am pleased to share with you the Federal Insurance and Mitigation Administration (FIMA) Fiscal Year 2001- Financial & Statistical Compendium.

We are proud of the accomplishments of the National Flood Insurance Program and its stakeholders. We appreciate your mutual support and cooperation that has enabled us to achieve these results.

This publication, formerly called the "Stakeholder's Report," has a new look. Based on your suggestions, our goal was to produce a more compact and useful document that would provide FIMA's financial and statistical data in charts and graphs, and eliminate the narrative. As a compendium, it offers a streamlined view of key financial and statistical results from October 31, 2000, through September 30, 2001. We welcome your comments and suggestions regarding this new format.

Please address any comments or questions about this report to Carol Ledbetter of my staff by facsimile: (202) 646-3689, or email at carol.ledbetter@fema.gov.
