MEMORANDUM TO:	Write Your Own Company Principal Coordinators and NFIP Servicing Agent
FROM:	WYO Clearinghouse
DATE:	March 3, 2003
SUBJECT:	New Agency Location and Appropriation Codes for Wire Transfers

On March 1, 2003, the Federal Emergency Management Agency (FEMA) transitioned to the Department of Homeland Security (DHS). This transition from FEMA to DHS has brought about several changes in the way FEMA/DHS will be identified by the U.S. Treasury Department.

Effective immediately, FEMA/NFIP will no longer use the agency location code 58-00-0016 or the Treasury appropriations code 58X4236.

The new agency location code to be used for the NFIP is 70-07-0005 and the new Treasury appropriations code is 70X4236.

Please distribute this information to all essential personnel in your firm. Feel free to contact your WYO Program Coordinator with any questions or concerns.
