**DON’T FORGET TO REGISTER!**

These 4-hour workshops are designed to help the Insurance Professional understand the National Flood Insurance Program. They are in response to a recent federal flood disaster declaration that included 77 counties.

Do you know how many of your clients were protected by flood insurance during the most recent occurrences of flooding in Kentucky? How many of them suffered uninsured flood losses? How many will not be insured the next time?

Are you uncertain of the rules and regulations for flood insurance? Unsure of exactly how to write a policy? Are you aware of your E&O exposure if you don’t? Do you know where to go for all the information needed?

No matter whether you are an NFIP novice or an experienced writer of flood insurance, these seminars will provide you with a beneficial understanding of how to effectively interact with the NFIP. All agency and company personnel are urged to attend.

**INSURANCE AGENTS CONTINUING EDUCATION CREDIT**

This course is filed for 4 hours CE credit in Kentucky.

**YOU CAN ATTEND THIS WORKSHOP AT NO COST TO YOU!**
