The Agency of the Year Award

Each year, three insurance agencies are recognized for their efforts to:

- Achieve superior flood insurance policy growth
- Implement innovative marketing strategies
- Participate in flood awareness activities
- Adhere to established underwriting guidelines

Nominations must include all information requested on the attached form. Anyone may submit a nomination, including but not limited to: WYO companies, insurance trade associations, lenders, claims adjusters, flood zone determination companies, FEMA and NFIP Regional Offices, state and local officials, and other insurance agencies.

All nominations are reviewed by the Selection Committee, which consists of one member each from the Flood Insurance Producers National Committee, the WYO Marketing Committee, and the Flood Insurance Committee of the Institute for Business and Home Safety. After their review, they select the three insurance agencies that most deserve the Agency of the Year Award.

The winning agencies will be announced at the 2005 National Flood Conference Awards Luncheon on Thursday, June 2. The NFIP will provide lodging and will waive conference registration fees for one representative from each of the winning agencies.
