**Understanding the National Flood Insurance Program**

Do you know how many of your clients were protected by flood insurance this past year? How many of them suffered uninsured flood losses? How many will not be insured this year?

Are you uncertain of the rules and regulations for flood insurance? Unsure of exactly how to write a policy? Are you aware of your E&O exposure if you don’t? Do you know where to go for all the information needed?

These 2-hour workshops are designed to help the Insurance Professional understand the National Flood Insurance Program (NFIP), and to protect their clients while protecting themselves.

No matter whether you are an NFIP novice or an experienced writer of flood insurance, this seminar will provide you with a beneficial understanding of how to effectively interact with the NFIP.

**THESE WORKSHOPS ARE PRESENTED AT NO COST TO YOU!** Pre-registration is required.
