 Important Information About Your Flood Insurance Coverage

Under the Flood Insurance Reform Act of 2004 (S.2238/P.L. 108-264), Congress requires the National Flood Insurance Program (NFIP) to ensure that its policyholders receive important information about their flood insurance coverage. The law also requires the Federal Emergency Management Agency (FEMA), which oversees the NFIP, to submit the enclosed Acknowledgement Form for your signature. This form simply acknowledges that you have received the information. Please promptly sign, date, and return the Acknowledgement Form in the envelope provided.

Your insurance company should have already provided you with a copy of your flood insurance policy, the Summary of Coverage, and declarations page. The Declarations Page includes your policy limits, as well as your deductible limits.

In this package, you will find:

- The National Flood Insurance Claims Handbook, with details on filing a claim;
- The Acknowledgement of Receipt Form, to sign and return to FEMA; and
- Your property’s flood loss history

An Important Note on Coverage

While it is up to you to choose the coverage that’s right for you, please be aware that:

- You understand that you have the option to purchase both building and contents coverage as part of your policy or;
- You may purchase building or contents coverage separately. Contents coverage may not be automatically included when you purchase building coverage.
- Your lender (if applicable) may have a requirement for how much coverage you choose; and
- New coverage, or increases in current coverage, will likely require a 30-day waiting period to become effective.
- Periodic reviews of your flood insurance policy will help ensure that your coverage is adequate for your specific situation.

Thank you for your cooperation and for choosing to protect yourself with flood insurance. If you have any questions about the Acknowledgement Form or Property Flood Loss History, call the NFIP Help Center toll-free at 1-866-395-7496.

You may also visit the FEMA web site at http://www.fema.gov/plan/prevent/floodins/faqs_floodinfo.shtm to view Frequently Asked Questions about this mailing. For any other questions, please contact your agent.
