W-12085

November 2, 2012

MEMORANDUM FOR: Write Your Own (WYO) Principal Coordinators and the
National Flood Insurance Program (NFIP) Servicing Agent

A handwritten signature in black ink, appearing to read "James A. Sadler".

FROM: James A. Sadler, CPCU, AIC
Director of Claims
National Flood Insurance Program

SUBJECT: Substantially Damaged Structures

On October 28, 2012 and the days that followed, Hurricane Sandy produced torrential rains and tidal surge that caused moderate to extensive flood damage to residential and commercial properties in the states of Connecticut, Delaware, District of Columbia, Maine, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, Virginia, and West Virginia.

Early reports indicate that substantial damage to property has occurred. Please ensure that your claims adjusters follow the guidelines below. Their cooperation will help expedite the community officials' determination of substantially damaged buildings.

- It is mandatory for claims adjusters to continue to report the statistics promptly.
- After conducting the inspection of the building and identifying it as possibly meeting the criteria for substantial damage, the claims adjuster is required to enter the information for that building on **the attached "Adjuster Preliminary Damage Assessment"** (APDA) form. An interactive version of this form is available on FEMA's website at <http://www.fema.gov/library/viewRecord.do?id=2580>.
- Even though the form allows entries for two separate policies, the claims adjuster should not hold the form while awaiting additional for final claims information. **The form must be submitted to the NFIP Bureau & Statistical Agent as soon as the information is completed for a single policy.** The form will continue to be used to capture critical information during the adjustment phase.

Substantially Damaged Structures

November 2, 2012

Page 2

- Claims adjusters are required to submit daily reports of possible substantially damaged properties to the NFIP Bureau & Statistical Agent by fax at 301-577-3421, email to claims@nfipiservice.com, or mail to P.O. Box 310, Lanham, MD 20706.
- There may be buildings that were damaged in previous flood events. Adjusters should be aware of pre-existing damage and ask specific questions regarding repairs of this damage. Receipts and invoices to support prior repairs may be needed if there are questions. In previous flood events, there were many substantially damaged buildings. The claims adjuster should be aware that these buildings should now be Post-FIRM and must comply with the community's floodplain management law and ordinance. Any questions should be referred to the WYO Company.

We recognize the formidable job that community officials have in handling the substantial damage issue. In many instances, they must survey widespread areas of damage with limited resources. However, by observing the guidelines above, adjusters can help us provide community officials with timely, accurate information that will allow them to make expeditious determinations of substantially damaged buildings.

We ask for your full support. If there are any questions, please contact the NFIP Bureau & Statistical Agent Claims Department.

Privacy Act Statement

The information requested is necessary to process the subject loss. The authority to collect the information is Title 42, U.S. Code, Section 4001 to 4028. It is voluntary on your part to furnish the information. However, omission of an item may preclude processing of the form. The information will not be disclosed outside of the Federal Emergency Management Agency, except to the servicing agent, acting as the government's fiscal agent; to claims adjusters to enable them to confirm coverage and the location of insured property; to certain Federal, State, and Local Government agencies for determining eligibility for benefits and for verification of nonduplication of benefits; to the Department of Justice for purposes of litigation or as required by law; and to State and Local agencies for acquisition and relocation-related projects, consistent with the National Flood Insurance Program and consistent with the routine uses described in the program's system of record. Failure by you to provide some or all of the information may result in delay in processing or denial of this claim and/or application.

Paperwork Burden Disclosure Notice

Public reporting burden for this form is estimated to average 15 minutes per response. The burden estimate includes the time, effort or financial resources expended by persons to generate, maintain, retain, disclose, or provide information to the Mitigation Division or its agent. You are not required to respond to this collection of information unless a currently valid OMB control number and expiration date is displayed in the upper right corner of the these forms. Send comments regarding the accuracy of the burden estimate and suggestions for reducing the burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, S.W., Washington, DC 20472, Paperwork Reduction Project (1660-0005). **NOTE: Do not send your completed form to this address. Send completed forms to: NFIP Bureau & Statistical Agent, Certification Coordinator, P.O. box 310, Lanham, MD 20703-0310.**

WYO COMPANY	DATE OF LOSS	ADJUSTER	FICO NUMBER
-------------	--------------	----------	-------------

This form is to be used for advisory purposes in helping FEMA and communities identify potential substantially damaged buildings. The adjuster will use "replacement cost" when completing this form; however, the community is required under the National Flood Insurance Program to use "market value" in determining substantial damage.
